Tidal Transit extends GyM stays

Two CTVs contracted for further five years at 576MW project

12/06/2017

Tidal Transit has had a contract for two crew transfer vessels (CTVs) extended for five years at Innogy's 576MW Gwynt y Mor offshore wind farm in Liverpool Bay.

The two CTVs – Tia Elizabeth and Kitty Petra – have been operating at Gwynt y Mor from its construction period through to the operations and maintenance phase.
